Headteacher's Message

As the end of the year is fast approaching, it won't be long before many of you will be preparing for September; purchasing uniform and shoes. Our school uniform is important to us. It is one way in which we identify ourselves as a school family and it promotes a strong, cohesive school identity which supports high standards and expectations in all areas of school life. It promotes harmony between different groups represented in the school and it enhances security, assisting the school to identify individual pupils both in school and on our frequent educational visits. We also believe that school uniform prevents the inevitable loss of self-esteem caused to individual children should a family not be able to provide the newest, most expensive or fashionable clothing and equipment.

Below is a reminder of our school uniform policy. Please pay particular attention to the requirement for school shoes to be black, flat, sensible and safe. From September, this expectation will be enforced for every pupil, without exception.

Uniform

In order to maintain a strong sense of identity and belonging within our school, the school uniform consists of:

- Navy blue sweatshirt/cardigan with logo*
- Royal blue polo shirt*
- Grey tailored trousers – no jeans or leggings please
- Grey skirt/pinafore (modest length)
- Black, flat, sensible, safe 'school' shoes (not trainers, canvas or 'ballet')
- Plain black, grey or white tights, knee or ankle socks

In warmer weather:

- Grey or Black tailored shorts (modest ones)
- Blue gingham dresses
- Cap or sunhat to protect from the sun

PE Kit

- White polo shirt*
- Plain navy blue shorts*
- Plain navy blue joggers*
- Trainers for outdoor PE

All the items above are readily available from most supermarkets or school uniform providers on the high street. The items marked with * can be obtained from the school office. If parents and carers find it difficult to obtain any item, please contact school. Our uniform has been kept simple and cost effective to avoid unnecessary expense. We expect all pupils to follow the dress code as written above.

If parents are unsure about any items of school uniform, they should contact the school for clarification.

Jewellery

Items of jewellery are not permitted at school. Should a pupil have pierced ears, only **plain studs** should only be worn and in order to comply with health and safety regulations, must be covered with a plaster during all PE activities. Sleepers, diamante and 'fashion' earrings are **not** permitted. Other body piercings are not allowed.

Make-Up

No make-up, nail varnish or permanent or temporary tattoos are to be worn.

Hair

We recommend that hair should be neat and tidy and worn with no extremes of style or colour. Tramlines, mohicans, large spikes, shaved sides with longer middle strip, tails etc are not permitted. Should the Headteacher deem that the hairstyle does not fit in with our policy and ethos, parents will be contacted to discuss this.

Year 2	93.67%

Well done to Year 4 Badgers, who achieved 100% this week and will celebrate with a non-uniform day on Monday!

Please phone school to inform us of any absences on 01535 604240

We will continue to work closely to support families of those children whose attendance falls below 90%. In most cases this is known as persistent absence. Our Parental Involvement Worker – Mrs Tonya Barnes – is working alongside the Senior Leadership Team to actively engage parents and families who may be in need of further support.

For parents and carers of Year 6

As our Year 6 pupils prepare for the transition to High School, they can often experience feelings of uncertainty and apprehension as well as excitement and restlessness. These feelings are completely normal, and the staff in school are extremely adept at recognising signs of worry in children and helping them deal with unfamiliar feelings.

The mental health charity Place2Be have some excellent advice for parents on how to support your children through significant change:

This week we have also been finalising dates and events to mark the end of Year 6's time at Worth Valley Primary School. On the back of this newsletter are a number of dates for your diary. Mrs Boothroyd will send out a separate letter next week giving further information about each event.

Could we please remind any parents and carers who park on Bracken Bank Crescent to do so considerately and safely. Please ensure you do not block any part of the pavement.
