Year 6 Transition Morning – Wednesday 7 July 2021

Dear parents and carers,

This morning we have received the following information from Oakbank School:

We are delighted to confirm that we will be able to run a Transition Morning on
Wednesday 7th July between 8:45 and 12.00pm.

Students will remain in primary bubbles at all times and will need to wear masks as they move around the building.

Children will be sat in a seating plan in the same classroom at all times with windows and doors open.

Arrival is at the front of the school from 8:45 for a 9:00 entrance.

Children must wear primary uniform and we encourage them to bring a mask to wear whilst moving to and from the classroom.

They will experience:

- a 1 hour lesson,
 - break time (a drink and biscuit will be provided),
 - form time (although not in their form group),
 - and a half hour lesson.
 - Students will start leaving the school building by primary school bubble from 11:45 and we aim to have all children out by 12:15.
-
- Year 6 pupils going to Oakbank must arrive at **Worth Valley Primary School** for 8.30am prompt.
 - They will then walk to Oakbank, accompanied by Year 6 staff, to arrive at Oakbank for 8.50am.
 - Pupils will then be collected from Oakbank at 11.45am by Year 6 staff and will be accompanied back to Worth Valley Primary School for lunch as normal and will spend the afternoon in school.

Year 6 pupils **not** going to Oakbank in September must attend school as normal.

Kind regards

Miss Lodge and the Year 6 team
