

Spring 1

What are we learning in Year 4?

Geography

In Geography this half term, we are looking at the human and physical geography of Guadalajara in Mexico.

English

In English, we are using The Great Kapok Tree to carefully select vocabulary to describe settings, use dialogue effectively to show character and practise our grammar and punctuation skills to improve our writing.

Maths

In Maths, we are multiplying and dividing by 10 and 100, looking at factor pairs, and multiplying and dividing 2 and 3 digit numbers by 1.

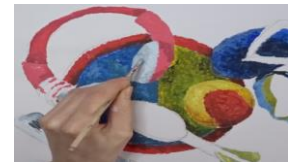

Computing

We will be looking at formatting spreadsheets and their use in budgeting.

Science

In science this half term, we are studying living things and their habitats, exploring how animals are classified and how adaptations happen within species.

Art

We will be developing skills in colour mixing, focusing on using tints and shades to create a 3D effect.

PSHE

Staying Safe is our theme for this half term's PSHE. We will be focusing on identifying dangerous, risky or hazardous situations and suggesting simple strategies for managing these.

Religious Education

What faiths are shared in our country? This term's focus is to look at different places of worship and their significance to believers.
