

Spring 1

What are we learning in Year 6?

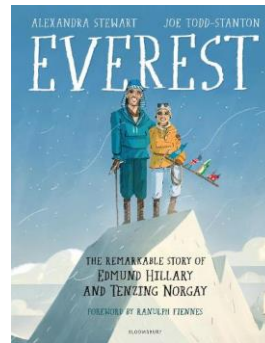

Geography

We are learning about volcanoes. We will be identifying where volcanoes are around the world, how they are formed and why they erupt. We will also understand the vocabulary active, dormant and extinct.

English

This half term we are focusing on non-fiction. We are reading Everest. We will be writing a fact file, setting description, diary entry and creating a narrative piece.

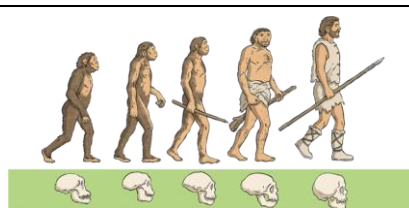

Maths

Our focus in maths this half term is fractions and converting units. We will be adding, subtracting, multiplying and dividing fractions. We will learn what integers are and how to multiply these.

Computing

We will be learning how to create adventure games this half term. We will be using our knowledge from coding to plan our adventure story games.

Science

We are looking at evolution and inheritance. We will be focusing on animal characteristics and fossils. We will learn about inherited traits and the work of Charles Darwin.

Art

This half term we will be focusing on painting and mixed media. We will be analysing famous paintings and finding meaning in paintings. We will also understand how art can tell stories.

PSHE

Our focus throughout Spring 1 is 'keeping safe'. In year 6 our PSHE will cover online safety, different behaviours, drugs and alcohol.

Religious Education

What do Christians believe about Jesus' death and resurrection? Is our key question in RE. We will explore crucifixion, resurrection, forgiveness and reconciliation in Christianity.

Spanish

We will be learning about a variety of sports and hobbies. We will explore the verb to play in the present tense.
