

Spring 2

What are we learning in Year 5?

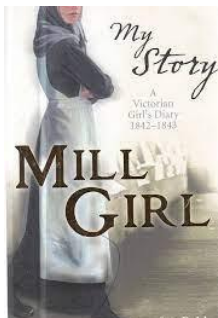

History

This half term, we are studying the Industrial Revolution. We will be conducting a local study of Saltaire, looking at the changes Sir Titus Salt made for the factory workers. This will include a visit to Saltaire. And Salts Mill.

English

This half term we are focusing on 'Mill Girl', a novel based on the diary of a young mill worker during the Victorian era. This links with our History topic on the Industrial Revolution

Maths

This half term we will be learning about fractions, decimals and percentages.

We will use our fraction knowledge to multiply and calculate fractions of quantities.

Computing

We will be learning how to create our own games in computing this half term. We will be designing, creating and testing each other's games, scanning QR codes to access them.

Science

Following on from investigating properties of materials, this half term we are looking at changes of materials. We will have the opportunity to carry out investigations using our knowledge from last half term.

DT

We will be creating our own recipes for spaghetti Bolognese. We will research into where our beef comes from and the nutritional value of foods on the shelves.

PSHE

Our focus throughout Spring 2 is 'rights and respect'. We will be looking at rights within the UK and world wide.

Religious Education

We will explore in more depth the events of Holy Week with a particular emphasis on the events of Thursday night

Spanish

We will be focusing on the culture of Spain this half term. Looking at carnival celebrations and the clothing worn traditionally in Spain.
