

Spring 2

What are we learning in Year 6?

History

We are exploring the Vikings. We will be understanding why the Vikings came to Britain and why they had such a bad reputation. We will also learn about where the Vikings visited in Britain by the names of towns and villages.

English

This half term we are using Skellig to write persuasive advertisements, setting descriptions and a narrative.

Maths

Our focus in maths is on fractions, decimals and percentages.

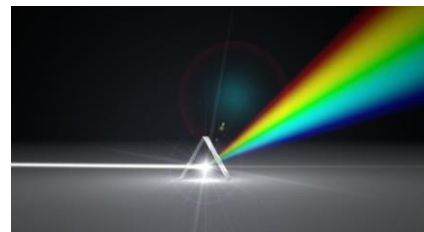

We are also learning about area, perimeter and volume.

Throughout this half term we will be revisiting arithmetic methods including division, multiplication, subtraction and addition.

Spanish

We are learning about fun fairs, the children will understand and say the nouns for funfair rides and express a simple opinion of my favourite ride. We will also be learning about our favourite things and revisiting talking about ourselves and our hobbies.

Science

Light is our topic this half term. We are learning how light travels and exploring reflection. We are also learning about shadows investigating how they are formed and how they can change.

SCARF

PSHE

Rights and respect is our theme for this half terms PSHE. We will be focusing on friendships and being environmentally sustainable.
